To the Editorial Board of Polibotánica

Dear Editor,

In relation to the submitted paper named “Vanilla mass propagation and protocormic callus formation from root tips”, authors state that the manuscript is an original contribution that has not been published elsewhere in any form, and it is not currently under consideration either. Besides, the permission is given for any copyrighted material used.

Finally, authors agree on content included on the submission paper. The corresponding author signs this cover letter on behalf of all authors.
